

Exceptional Cased Belgian Adams Percussion Revolver Catalogue-Nr: 700119

A rare cased Belgian licensed Adams Model 1851 self cocking percussion revolver; .30 calibre, made about 1851; blued and engraved barrel and frame; ADAM'S PATENT NO. 4201 and ADAM'S 1851 PATENT five shot cylinder matching; Liege proof marks, very fine relief carved ivory grip; fine engraved and blued butt cap; blued trigger guard and trigger; fitted in its original case lined in green baize; fine accessories include a fine bag shaped powder flask, correct double cavity tailed bullet mould matching number. This is one of the best Adams percussion revolver I have ever seen in the last 20 years.

EWB (for Germany and EU, see terms)
